SINGLES. This week we see for the first time in seven years, one record company, Warner, occupying the first four positions. **Gabriella Cilmi's** *Sweet About Me* takes the reins, holding onto No.1 for yet another week. **Jordin Sparks** and **Chris Brown** jump into the Top 10, up eleven places to No.5 with *No Air*. Further along the chart, **Sara Bareilles** moves nine spots to sit just outside the Top 10 with *Love Song* at No.13. Meanwhile, **Coldplay's** *Violet Hill* marches on sixteen spots to rest at No.31 this week. Followed by two more big movers, **Busta Rhymes'** *We Made It* – up sixteen places to No.37 and finally **The Last Goodnight's** *Stay Beautiful* has gained a massive thirty-six places to sit at No.56.

No.28 IF I NEVER SEE YOUR FACE AGAIN – Maroon 5 Feat. Rihanna. Grammy Award winners **Maroon 5** and **Rihanna** have teamed up for the new single, *If I Never See Your Face Again*. The track was written by the band's front man, **Adam Levine** and their guitarist **James Valentine**. The original version of the track did not feature **Rihanna** and extra lyrics were added for the singer. The new version will be featured on the re-release issue of **Maroon 5's** album, *It Won't Be Soon Before Long*. *If I Never See Your Face Again* is the band's fourth consecutive Top 40 hit, from the previously mentioned album. The other singles include *Wake Up Call* (No.19 Sep. '07), *Won't Go Home Without You* (No.7 Jan. '08) and *Make Me Wonder* (No.6 May '08).

No.66 IN GOD'S HANDS – Nelly Furtado Feat. Keith Urban. Another duet to debut on the chart this week and this time it is with compliments from, the sultry **Nelly Furtado** and Australian country music crooner, **Keith Urban**. The duo has joined forces for *In God's Hands*, which is about **Furtado's** break-up with DJ **Jasper Gahunia**. Like **Maroon 5's** debut this week, *In God's Hands* is a remix of the original version found on **Furtado's** album *Loose* (No.4 Aug. '06). Previous singles to chart well for the singer include *Say It Right* (No.2 Jan. '07), *Promiscuous* (No.2 July '06) and *Maneater* (No.3 Nov '06).

No.69 MY GENERATION – Stone Parade. Hailing from Sydney's Northern Beaches, **Stone Parade** consists of **Greg Byrne** (vocals) **Alex Qasabian** (guitar), **Kevin Fouche** (guitar), **Mark Fouche** (bass) and **Billy Handley** (drums). They make their debut this week to the ARIA Singles Chart. The band has been touring extensively of late and has shared the stage with bands such as, **Maroon 5**, **3 Doors Down** and **Hoobastank**. Recently, **Stone Parade** were announced the winners of the rock category in the International Songwriting Competition for their song, *Somebody Will Miss You*. The win comes straight off the back of last years win in the *Nokia Be Heard* competition.

No.77 TIME TO PRETEND – MGMT. They were named one of the top 10 artists to watch in '08, by legendary music magazine – Rolling Stone and MGMT are living up to the hype! Their debut album *Oracular Spectacular*, debuted four weeks ago and is currently sitting at No.28 on the ARIA Albums Chart this week. *Time To Pretend* is the first single to be lifted from the album.

No.90 IT'S A WAR – Dukes Of Windsor. The **Dukes Of Windsor** took on TV Rock for *The Others*, which peaked at No.13 in April 2007. This time, **Dukes Of Windsor** are going out on a limb and flying solo for *It's A War*. The electro rock band consists of **Jack Weaving** (vocals), **Cory Blight** (drums/engineer), **Scott Targett** (keyboard), **Oscar Dawson** (guitar) and **Joe Franklin** (bass). The band is currently on tour around Australia.

ALBUMS. We almost have an Australian Quintet at the top of our charts, with 4 of the artists being Australian while **Rieu's** *Waltzing Matilda* at No.3 features Brisbane soprano **Mirusia**. No.1 is **Pete Murray's** brand new album *Summer At Eureka*, No.2 is **Gabriella Cilmi's** *Lessons To Be Learned* crawling from No.3, No.4 has *Apocalypse* by **The Presets** and bringing up our quintet is **Damien Leith's** *Catch The Wind: Songs Of A Generation*. There are a few movers and jumpers in the charts – **Rockferry** by **Duffy** is at No.18 this week from No.31 while **Flight of the Conchords** has done a massive jump from last weeks No.96 to No.43 – wonder if they will match their current New Zealand album chart position of No.2?

No.1 SUMMER AT EUREKA – Pete Murray. **Murray** has hit a trifecta with his third No.1 album. His first release was *Feeler* which reached No.1 in March 2004 – it was also accredited with platinum sales six times. His second album was *See The Sun* which also hit No.1 in October 2005 and was also accredited with platinum sales four times! **Murray** recorded this album in his home studio on his property in northern NSW, which he believes has given the album a relaxed and happy vibe. Featured on this album is **Powderfinger** guitarist **Darren Middleton**, while the rest of his band is made up of **Ben McCarthy** (keys), **Andy Sylvio** (drums) and **Jonathan Zion** (bass).

No.6 NARROW STAIRS – Death Cab For Cutie. You may have heard **Death Cab For Cutie's** songs on the television without realizing – their music has been used on *The O.C.*, *CSI: Miami* and *Six Feet Under*. **Death Cab For Cutie** is made up of **Ben Gibbard**, **Nick Harmer**, **Jason McGerr** and **Chris Walla** – all from Washington. This is their first album to hit the Top 10 of the ARIA Albums Chart and their second album to chart at all! Their last album *Plans* hit No.48 in September 2005 and was also nominated for a Grammy Award for Best Alternative Album in 2005. *Narrow Stairs* is currently the No.1 album on the US Billboard Albums Chart.

No.11 BEAUTIFUL MACHINE – Shihad. **Shihad** are originally from New Zealand, which helps to explain why *Beautiful Machine* debuted at No.1 in New Zealand! The boys now call Melbourne home. This is their third album, and in one of those strange chart co-incidences it's their second to reach No.1! *Love Is The New Hate* hit No.11 in June 2005 while their first album *The General Electric* reached No.23 in October 1999. **Shihad** is made up of **Jon Toogood** (vocals), **Phil Knight** (guitars), **Karl Kippenberger** (bass) and **Tom Larkin** (drums and samplers).

No.28 WE SING. WE DANCE. WE STEAL THINGS – Jason Mraz. **Mraz** completed this album after taking a year off from performing, touring and recording. He felt that he needed to take time off after a busy few years spent recording and touring his previous studio albums: *Waiting For My Rocket To Come* (No.61 Jul. '01) and *Mr. A-Z We Sing...* has debuted at No.3 on the US Billboard charts. It features **Colbie Caillat** and UK's **James Morrison**. **Mraz** grew up in America and has featured in an advertisement for American clothing chain The Gap, has had his music used in the television show *Ugly Betty* and toured with **Dave Matthews Band**, **James Blunt**, **Gavin DeGraw** and **Jewel**. **Mraz** is scheduled to tour Australia in August later this year.

No.48 DIGITAL VERSATILE DOOM: LIVE AT THE ORPHEUM THEATRE XXXVII A.S – HIM. **HIM** are a rock band from Finland, and this album is the third of theirs to chart in the top 100, the first being *Dark Light* (No.40 Oct. '05) followed by *Venus Doom* (No.32 Sep. '07). This album is their first live album, and was recorded at the Orpheum Theatre in LA. It has an accompanying DVD, which features interviews with the band, behind-the-scenes footage which shows recent competition winners getting to meet the band.

No.57 3 DOORS DOWN – 3 Doors Down. **3 Doors Down** is made up of **Brad Arnold** (lead vocals), **Matt Roberts** (guitar), **Chris Henderson** (guitar), **Todd Harrell** (bass) and **Greg Upchurch** (drums, percussion). The first album they released was *The Better Life* which hit No.16 in March 2001 and was accredited with platinum sales, this was followed by *Away From The Sun* (No.8 Feb. '04) and then *Seventeen Days* (No.54 Mar. '05). For this album, the band isolated themselves in a cabin in Nashville to write all of the songs, before recording it in Florida.

No.78 NO VIRGINIA... – The Dresden Dolls. Continuing to challenge the classification of their music, the Alternative/Brechtian/Punk Cabaret/Rock band **The Dresden Dolls** hailing from Boston, Massachusetts are hitting the charts again with their greatly anticipated album *No, Virginia*. **The Dresden Dolls** is made up of singer/writer/pianist **Amanda Palmer** and drummer **Brian Viglione**. This is **The Dresden Dolls** third album, the first was *The Dresden Dolls*, which failed to make an impact on chart and was followed by *Yes Virginia...* which hit No.52 in May 2006.

No.83 THE SICKNESS – Disturbed. *The Sickness* is **Disturbed's** debut album, released in 2000. It has however only this week reached the Top 100 of the ARIA Albums Chart, ahead of its new album *Indestructible*, set to be released in two weeks time. Other albums that **Disturbed** have released include *Believe* (No.32 Sep. '02) and *Ten Thousand Fists* (No.11 Oct. '05). **Disturbed** hail from Illinois, Chicago. Many fans believe this is their 'heaviest' album, with later more recent releases having a lighter and more melodic feel.
